Position:

Year 3
Teacher

Hello my name is Anita and I am the teacher of the wonderful Scott class! I used to work as a Project Manager for KISS and Magic radio, where I had to secure sponsorship for adverts.

I became a teacher because I wanted to understand and nurture children, and studied locally to qualify. I'm in my first year of teaching at GLPS and have loved my time here so far, my favourite subject to teach being science.

I don't really have a lot of spare time, but when I do I love photography, travelling, dining out, going to the cinema and catching up with friends. I particularly enjoy origami and making things out of Lego.

I'm really looking forward to summer, mainly for the brighter mornings, but also the upcoming Easter discos!

Year 4 Learn Magic Tricks

To introduce their new topic this term, 'Magical Worlds', Year 4 began learning some coin and card tricks! The students had to teach each other tricks using instructional language. Year 4 will enjoy a trip to Harry Potter World later this month, which has been proved to develop English and creative writing skills.

Reduced Rate Ice Hockey Tickets

Tickets for the MK Lightning vs Bracknell Bees Ice Hockey Match are being sold before school each morning and at Parent's Evening for a heavily discounted rate!

A Family ticket for 2 adults and 2 children costs just £10, with additional adults costing £5 and additional children costing £3 a ticket.

The school will receive 50% of the money from every ticket sold, so by supporting your local team you are also supporting our school, and having lots of family fun!

The match is on the 5th March, doors open at 6pm.

Bedtime Stories

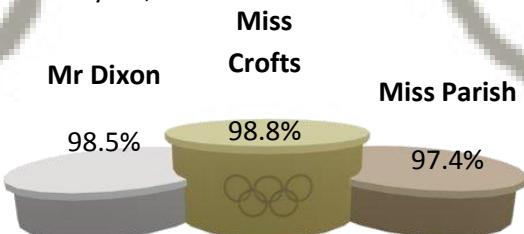

Children and Parents came to school in their pyjamas on Wednesday for the Bedtime Stories event! With hot chocolates in hand, everybody enjoyed listening to the readers telling the stories.

Thank you to all the helpers, readers, listeners and organisers, we hope you enjoyed the event!

All the photos can be found on the school website.
