

Great Linford  
Primary School

Look around at home or outside for things that come in pairs, fives or tens. Practise counting them.  
Can you count any higher?

## KIRF Target 3 - I can count in 2s, 5s and 10s.

2 4 6 8 10 12 14 16 18 20

5 10 15 20 25 30 35 40 45 50

10 20 30 40 50 60 70 80 90 100

### How can my parents help at home?

At the moment, we don't need to be able to answer multiplication questions or use the multiplication symbol. Instead, we are learning how to **skip count**. This means counting in multiples. You can use images and apparatus to help you with this.

There will be activities related to this key fact uploaded onto your Google classroom page. These will include worksheets and websites. Try doing some of these at home.

## Vocabulary

Count these socks in pairs.

5, 10, \_\_\_\_, 20. Which one did I miss?
