

Year 2

Home Learning

Nurses and the NHS

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery open to view for all parents at the end of the half term. Please bring your entries in by the 11th December.

Writing

Here are some ideas for writing that we would like you to try;

- A thank you letter to a doctor or nurse who has looked after you or a loved one
- A catchphrase for the NHS (like an advert)
- A fact file about the NHS or one of the nurses

Computing

We have been learning about different types of ICT.

Can you go on an ICT hunt around your home and local area and write a list of everything you find that is ICT and write a description of what it is and what it is used for?

Music

Follow the link below to listen to some music written for the soldiers and about the war.

[World War 1 and Remembrance - BBC Teach](#)

Can you write your own song lyrics? It could be about a doctor/nurse, a brave soldier, or maybe the Crimean War! Be creative!

STEM

Design a brand-new children's ward in a hospital. What do you think it should include? What colour scheme would you choose? Draw a picture and label all of your ideas!

Poetry

Can you write an acrostic poem? It could be about hospitals or one of the nurses e.g

N ...
C ...
E ...

Art

Create a portrait of one of the nurses we have been writing about!

Cooking

Mary Seacole was from Jamaica! Can you find a Jamaican recipe to try and make?

Perhaps you can cook up some rice and peas or some jerk chicken! Remember to write down your recipes and take photos of your creations!

PE

In PE we have been learning some gymnastics moves. There are lots of work outs online that you can do at home with no equipment! Here's one we have found for you to try!

[5 Minute Gymnastics Workout without Equipment](#)

Science

In Science we are going to be learning about the role of a botanist! Can you explore your garden or a local area to see what flowers are growing there? Could you sketch or photograph it? How can you find out what it is? Have fun exploring!
