

Home Learning – Year 1

Autumn 2 – The Adventures of Bear

Choose one or many of the suggestions below. In class, we will share all our entries. All winning entries will be shared in our Home Learning Celebration.

Due: Monday 6th December 2021

STEM

(Science Technology Engineering Mathematics)

- There are lots of traditional recipes from around the United Kingdom, could you find and bake your own? Here are some examples <https://www.bbcgoodfood.com/recipes/collection/british-recipes>
- Can you create your own map of the United Kingdom? Perhaps you could include landmarks or the Capital cities!
- Could you build a 3D model of a famous landmark in the United Kingdom, such as the London Eye or Stone henge?

Arts

- Different counties in the United Kingdom have traditional dances, could you learn how to Morris Dance or do an Irish Jig? What moves can you create using your arms, legs or whole body?
- Can you create your own bear for him to have his own adventure? You could do this using a paper plate or be creative and use what materials you would like!

Music

- God Save the Queen is the National Anthem for the United Kingdom. Can you listen to it and even try to learn the chorus?
- Try and learn the tune to the National Anthem on a musical instrument. You could make your own musical instrument to use! Why not use junk modelling?
- Can you write your own song about a country in the United Kingdom? What have you learnt about where we live?
