

Year 1

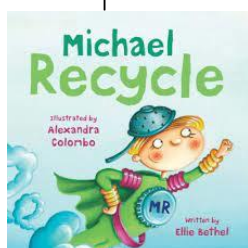

Home Learning

Sustainability

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery open to view for all parents at the end of the half term.

Fiction

Have a read of [Michael Recycle!](#)
Can you create your own recycling superhero? Write a character description about them.

Computing

Play [Recycling Roundup](#). Can you sort the rubbish?

Music

Can you write your own short song or lyrics to help persuade people to recycle and look after the planet?

STEM

Create your own [seed bomb](#). What seeds will you choose?

Poetry

Read and perform Rubbish, Rubbish Everywhere (Resource on google classroom). Can you create a picture to match the poem?

Art

Create your own junk modelling sculpture using things we would normally throw away

Cooking

Soup is a great way to save vegetables that might be getting past their best. Try making some of these [recipes](#)!

PE

Create your own game that involves sorting out recycling. Can you add obstacles or specific actions?

Non-Fiction

Can you find out what a carbon footprint is? Create a poster advising people how to reduce there's.
