

Home Learning – EYFS

Spring 2 – Under the Sea

Choose one or many of the suggestions below. In class, we will share all our entries. All winning entries will be shared in our Home Learning Celebration.

Arts

- Create a model of an underwater sea creature.
- Can you use recycled products to create a piece of sea artwork?
- Paint your own sea picture. Can you use vegetables as stamps?

STEM

(Science Technology Engineering Mathematics)

- Can you create your own fizzy ocean?
- Have a go at making your own ocean slime!
- Can you make your own beach in a bottle?
- Can you bake your own sea creature cupcakes?

Music

- Sing along to Under the Sea from the film The Little Mermaid.
- Can you play a musical instrument alongside The Little Mermaid music?
- Can you create your own under the sea song?
