

Home Learning – EYFS

Summer 2 – Roaming in the Rainforest

Choose one or many of the suggestions below. In class, we will share all our entries. All winning entries will be shared in our Home Learning Celebration.

Arts

- Create a rainforest collage showing the different layers of a rainforest.
- Have a go at creating a rainforest animal facemask or headdress.
- Create a cardboard crocodile.

STEM

(Science Technology Engineering
Mathematics)

- Can you create origami frogs? How far can you make them jump?
- Have a go at making shaving foam rainclouds. What happens when you add food colouring?
- Can you design and make a moving bird of paradise?

Music

- Have a go at making your own rain stick musical instrument.
- Learn a rainforest song/rhyme and perform it.
- Have a go at recreating the sounds of a rainforest using items in your house.
