

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery on Thursday 13th February open to view for all parents at the end of the half term. Home Learning is due in Monday 3rd February.

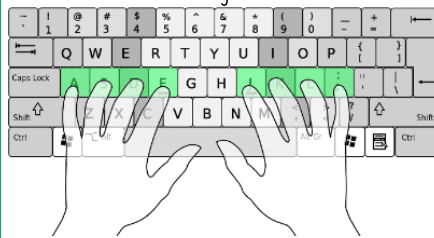

Fiction

We are learning about imaginary flying creatures. Can you create your own flying creature and write a short story about its adventures?

Computing

We are learning about word processing. Practice your touch typing on BBC Dance mat or on microsoft word.

Music

This term we are learning about orchestral instruments. Listen to a piece of classical music and list/ draw all the instruments you can hear.

STEM

We are learning all about materials. Go on a material hunt around your home and sort the materials you find into categories.

ROOTS

Share a moment where you have followed one of our ROOTS. You could share a photo, drawing, video or a piece of writing.

DT

We are learning about moving monsters. Can you create your own moving monster? Can you use pivots and linkages?

Cooking

Lots of people fly around the world. Can you create your favourite dish from another country we could fly to?

PE

In our indoor PE we will be focussing on fitness. Can you create a sequence of fitness tasks for a younger child to complete?

Non-Fiction

Can you write a fact file about the Wright Brothers and their first flight?
