

Home Learning Year 1

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery on Thursday 28th March open to view for all parents at the end of the half term. Home Learning is due in Monday 18th March.

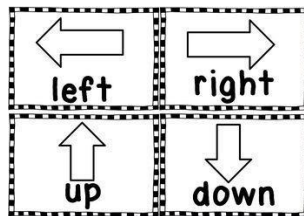

Fiction

Michael Recycle is a recycling superhero! Can you create your own recycling superhero? Write a character description about them

Computing

Design a route for a robot to follow. What commands would you have to give the robot to get through your route?

Music

This term we are learning about superheroes in music. Can you create your own superhero theme tune? What instruments could you use?

STEM

In DT, we will be looking at windmills. Can you design your own windmill? You could build it out of lego, recycled materials or things you have at home.

ROOTS

Share a moment where you have followed one of our ROOTS. You could share a photo, drawing, video or a piece of writing.

Art

Inspired by 'Somebody swallowed Stanley' (our class text) Can you create an underwater scene?

Cooking

We are learning all about Shanghai this term! Research and have a go at cooking a chinese inspired dish with your family. Here are some ideas to get you started

<https://www.bbcgoodfood.com/recipes/collection/chinese-recipes>

PE

Can you create a throwing or dribbling game? How will each player win points?

Non-Fiction

Can you create a fact file all about Shanghai? How is it different to where you live?
