

Year: EYFS  
Term 5

Home Learning

Topic: Growing  
& life cycles.

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery open to view for all parents at the end of the half term.

**Writing**

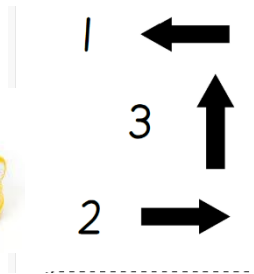

(Fiction or Non-Fiction)

- Can you make a list of the rhyming words from the story Oi Frog!

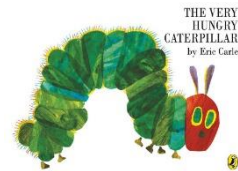

**Computing**

- Can you create a grid using the direction keys we have learnt?

**Music**

- Can you use an object or musical instrument to create a beat for each stage of a chosen life cycle?
- Can you increase the tempo?

**STEM**

- Can you use your creativity to demonstrate a life cycle? It could be a seed, a butterfly or any living thing.

**ROOTS**

Take a photo or draw a picture of yourself following out ROOTS. This could be a photo of you helping someone around the house, taking care of a sibling or being respectful.

**Art**

- Can you create your own 3D minibeast using junk?

**Cooking**

- Have a go at growing your own fruit & vegetables. Can you use these ingredients to create your own healthy dish?

**PE**

- How far can you leap doing a frog jump? What did you use to measure that leap?

**Number**

- Can you create your own number sentences using minibeasts.
