

Home Learning – Year 3

Autumn 1 – Ancient Greeks

Choose one or many of the suggestions below. In class, we will share all our entries. All winning entries will be shared in our Home Learning Celebration.

Arts

- There are many wondrous mythical creatures in Ancient Greek tales. Can you design and create your very own? Here is a website to give you some inspiration www.kidsnews.com.au/greek-myths-and-legends
- The Gods played a large part in Ancient Greeks' life as well as their myths. Can you create your very own God to write a Myth about as a comic script?
- Design and make your very own 3D Parthenon!

STEM

(Science Technology Engineering Mathematics)

- The Greeks invented many things that inspired today's way of living – can you research what they invented and design and make your very own invention that would make your life easier?
- Watch the story of Daedalus and Icarus - <https://www.youtube.com/watch?v=RVkwW0eLNZs> . Can you design and engineer your very own wings so you can fly?
- The Greeks were known for their astronomy skills! Can you study the night sky over the course of two weeks, looking at star patterns and changes to the moon and map these out? Collate your own research into star patterns, what the signs are and what they mean.

Music

- Can you compose a piece of music using instruments or things at home (saucepan, boxes, wooden spoons) to tell the story of Theseus and the Minotaur?
<https://www.youtube.com/watch?v=xQuAUBX5xBw> How will the music change as Theseus enters the maze, when he faces the Minotaur and when he completes his mission?
- Here is a link to some Ancient Greek dancing -
https://www.youtube.com/watch?v=y5MRZqOletc&ab_channel=ZoeThalassinou Can you make your own dance routine?
