

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery open to view for all parents at the end of the half term. Home Learning is due Monday 10<sup>th</sup> July 2023.

**Fiction**

Write a creepy tale or ghost story set on or next to a canal.

**STEM**

Build a bridge out of paper, card or spaghetti that could be used to travel over a canal. You could also test it out to see how much weight it could hold.

**ROOTS**

Take a photo or draw a picture of yourself following our ROOTS. This could be a photo of you helping someone around the house, taking care of a sibling or being respectful.

**Music**

Use Chrome Music Lab to create a piece of music inspired by canals.

**Poetry**

Write a poem about canals, boats or water. You can set your poem now or at a time in the past when canals were used to transport goods and people between cities.

**Art/DT**

Design a floral pattern, similar to the one below, that can often be found on the side of narrow boats.

**Cooking**

Why not try cooking up one of these traditional British items?

**PE**

Create a game inspired by water and creatures that can be found near a canal.

**Non-Fiction**

Create a fact file on an animal that would be found near or in a canal. For example, a grey heron or a perch.
