

Great Linford Roving Reporters

Edition 2

Creative Costumes

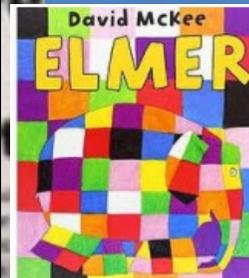

On Thursday the 1st March, children dressed up as their favourite book character as it was World Book Day. Ranging from ordinary characters, such as Little Red Riding Hood to the Mad Hatter's wife, all the children had a fair selection of wonderful characters to choose from. Some students went very creative by dressing up as the Tin Man (from the Wizard Of Oz) and even The Queen Of Hearts! Whilst others decided to dress up as more well known ones like Hermione Granger or Matilda. Unique choices came up too- we had a dalmation, Wednesday from the Addam's family and the wolf from the Little Red Riding Hood.

Tell A Tale

On Thursday the 1st of March, everyone brought in a book to share with their classmates in an effort to interest them in their favourite books or series. In Year Six many had said that they would be more than happy to dive into magical worlds, fighting monsters and dragons, casting spells, and having fun in a chocolate factory. Most stories were so interesting that the people who were listening were left with cliff-hangers so amazing that they just had to read on. Though, this doesn't mean that other classes weren't happy with the experience.

Several listeners commented on the engaging story lines and interesting characters. The speed of which people were loving the sound of the stories was amazing. And even once everyone had rather shared or listened to a story, they still asked questions about characters and wanting to know what would happen next. By Zahara Badiko

World book week; book reviews

In book week there were different activities children did in each day. In this report we will focus on book reviews, children chose different books they liked or disliked. The main task was to let your mind run free and tell and show everyone what you thought about different books. The whole school did this task; the roving reporters will choose a few book reviews to be published on the school website for children or adults to read.

The sheet you had to write on was a A4 piece of paper laid out like a normal reviewing sheet but you could spice it up with a picture of the front cover of the book; you could either do your own style or copy the style from the book, Gaby in year 6 TR re-created the book cover of a place called perfect. A book in year 4 A.E called Harry said "I did Mr Fantastic fox, I would recommend this book to my sister."
