

Year 2

Home Learning Term 4

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery open to view for all parents at the end of the half term.

Writing

Here are some ideas for writing that we would like you to try;

- A description about a giant
- A set of instructions
- A setting description for a story, describing a place a giant could live.

Computing

Last half term we learnt about word processing.

Can you create a poster about a hot or cold place you would like to visit?

Music

We will be learning the continents of the world in geography, can you create your own song to help you remember all the different continents?

STEM (DT)

Can you create your own 3D globe?

Poetry

Can you write a rhyming poem all about the world?

Art

Create a drawing of some of the animals that live in the North and South Pole.

Cooking

As part of our geography unit we are looking at the country Kenya. Can you make or design a Kenyan inspired dish?

ROOTS

Take a photo or draw yourself following our ROOTS. This could be a photo of you helping someone around the house, taking care of a sibling or being respectful.

Science

In Science we are going to be learning about life cycles.

Can you take photos of members in your family and/or use old photos to create the human life cycle?
