

Year 3

Home Learning

Antarctica

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery open to view for all parents at the end of the half term.

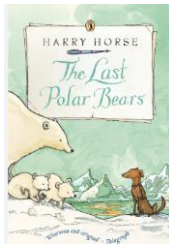

Bronze Challenge: Select one home learning challenge from the grid.

Silver Challenge: Select a row of 3 home learning challenges in any direction.

Gold Challenge: Complete every challenge in the grid linked to your project this half term!

Fiction

Write a short story based on our class text, 'Last of the Polar Bears'...

Computing

Create a video of yourself reporting from Antarctica.

Music

Create a piece of art inspired by the music 'Walking in the Air' by Howard Blake.

Design Technology

Have a go at sewing together an Antarctic penguin.

Poetry

Create an Acrostic poem based on Antarctica.

Art

Create a collage picture of the Antarctic landscape.

Cooking

Create a biscuit that looks like a polar bear!

PE

Design a playground game based on the animals that live in the Antarctic.

The Penguin Shuffle

Equipment needed - bean bags and hula hoops.

Best done as a relay race. Class is split into equal teams and each child is given a bean bag or small ball. The bean bag is placed between the child's knees and they shuffle up to a hula hoop. They must drop their bean bag into the hoop and return to their team, allowing the next child to go. The first team with all their bean bags in the hoop wins!

Non-Fiction

Create a 'fact file' about Sir Ernest Shackleton.
