

Year 4

Home Learning

Our Food

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery open to view for all parents at the end of the half term.

Try a challenge!

Can you complete 3 in a row in any direction as part of your home learning presentation or can you complete all 9 activities?

Fiction

Write a story about a family that grows bananas. Include their daily life on the farm (the growing process) and their journey of transporting the bananas onto the shop shelves.

Computing

Research the components of a good website and have a go at designing your own about where food comes from. You could create the webpages on a PowerPoint.

Music

Have a go at writing a Haiku about food. Have a go at singing your Haiku.

STEM

Research how different fruits and vegetables are grown. Look for these items in your local supermarket. Does the growing process affect the cost of it?

Poetry

Write a poem about where our food comes from in the shape of a food item.

Art

Create a piece of art work out of food packaging.

Cooking

Make a meal with ingredients that are all sourced from the UK.

PE

Research famous cricket players. Make notes on what makes a good cricket player.

Non-Fiction

For a week, try to record where the food you eat for dinner comes from (country).
