

This half term, choose one or many of the suggestions below. In class, we will share all entries. Winning entries will be shared in a Home Learning Gallery open to view for all parents at the end of the half term. Home Learning is due Monday 10th July 2023.

Writing

Write a short advert persuading people to visit Milton Keynes. How many attractions from the city can you include?

Computing

Can you create an information leaflet about:
Milton Keynes
Your street or town
Your favourite local park

Music

Use different outdoor materials to create your own 'instruments'.

STEM

Build a grid road system using any materials that you would like to. Can you recreate your street or neighbourhood?

ROOTS

Take a photo or draw a picture of yourself following our ROOTS. This could be a photo of you helping someone around the house, taking care of a sibling or being respectful.

Art/DT

Create your own model town, can you use a variety of materials and paint parts of the town, perhaps houses or grass?

Poetry

Write your own acrostic poem about Milton Keynes.

Milton Keynes
Is incredibly
Lucky to be home to
There is Bletchley Park,
Of course, homing the code breakers in WW2,
None other than the Red Bull Formula 1 Cars,

Keeping being green with all of the parks,
Even the artistic Concrete Cows by Liz Leyh,
Yet by those cool things, mostly
Nobody knows MK!
Even though we are not known...
Soon we will be as popular as London!

PE

Practise athletics activities such as throwing and running. Create your own record book so that you can record your results!

Cooking

Decorate your own biscuits to show what Milton Keynes has to offer. Can you design your own park on the biscuit?
