

Year 6		The Blitz		Autumn 1
<b>ROOTS Link:</b> Respect All		<b>Whole School Project:</b> Tree Week		<b>Ignites, Trips, Visits &amp; Visitors:</b>
<p><b>Vision:</b> For this project, the children will develop their knowledge of a significant turning point in British history. They will consider the events which lead to the beginning of the Second World War and the reasons behind these relating to the First World War. The children will study the different political views of governments at the time and consider the impact of bias and propaganda when analysing the importance of primary and secondary evidence. Whilst learning about the impact of The Blitz on British children at the time, they will learn the features of diary and story writing to retell historical events through the eyes of different fictional characters. In English and Reading in particular, children will widen their vocabulary to allow descriptive setting descriptions when describing London following bombing raids. Children will undertake different types of scientific enquiries to explore healthy bodies and learn about the circulatory system. An understanding of their personal goals in comparison to children around the world as well as across different time periods will be explored.</p>			<p><b>Key Texts:</b></p> <ul style="list-style-type: none"> <li>• Goodnight Mr Tom – Michelle Magorian.</li> <li>• The Silver Sword - Ian Serraillier.</li> </ul>
